Note: for motorized doors add 10" to rough opening

The diagram shows a grid of door elevation details. Each cell contains a pair of doors (left and right) with arrows indicating their sliding direction. The doors are shown within dashed lines representing the rough opening. The grid is organized by jamb dimension (rows) and glass size (columns). The door models are labeled with numbers such as 11-3068, 11-4068, 11-5068, etc.
